## WESTERY FIRE BUG NOT CAPTURED

**Rewards Do Not Succeed in Fixing Guilt—Superior Court in Session—Baptist Men's League Hears Address—Rest for Cruelty to Animals—reject to Form Cricket League.**

There is the strongest presumption that the fire in the store of Josef Negrelli, 78 1-2 Canal street, Oct. 12, was the work of an incendiary, and representatives of insurance companies are making vigorous investigation in expectation of getting at the facts in the case. An insurance adjuster was in Westery the day after the fire to obtain the proof required when claim is made for insurance, and it is said, this same adjuster investigated similar fires in New London and New Haven in which persons located in Westery were interested. The claim for insurance is being pending investigation. Insurance adjusters have offered a reward of \$500 for evidence that will lead to the detection and conviction of the firebug, but police officers are barred from participation in the reward, as they are supposed in their regular line of duty to make every effort to arrest violators of law, and especially in cases of this character. The fire in the rooms of the British club was also of incendiary character, and the day after the fire the club offered a reward of \$100 for the arrest and conviction of the incendiary. As yet there is no claimant for the reward, although the police suspect one or more as guilty.

Ex-Governor George H. Utter of Westery was the principal speaker at the twentieth annual meeting of the Westery Sunday school, held Sunday, Nov. 12, in the Westery Baptist church. There was a parade of 5,000 boys, representing the organized boys' classes in the Sunday schools of Boston, which was demonstration that the Sunday school is not wholly a child's organization. Over 100,000 boys were held in the Park street church and in the Broomfield Methodist church.

### Forced Into Exile.

William Upchurch of Glen Oak, Oklahoma, who was an exile from his Mountain air, he thought, would cure a frightful, lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infallible for coughs and colds, it dispels hoarseness and sore throat, cures grip, bronchitis, hemorrhages, asthma, cough whooping cough, etc. and \$1.00 trial bottle free, guaranteed by Lee & Osgood Co.

### Kills Her Fox of 20 Years.

"The most merciless enemy I had for 20 years," declares Mrs. James Duncan of Haynesville, Me., "was dyspepsia. I suffered intensely after eating or drinking, and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters, which cured me completely. Now I can eat and sleep. I am 70 years old and am overjoyed to get my health and strength back again." For indigestion, loss of appetite, lame back, female complaints, it's unequalled. Only 50c at Lee & Osgood Co.

### A Religious Author's Statement.

Rev. Joseph H. Pepperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment, and I passed some frequently. I consulted a doctor, who recommended Foley's Kidney Remedy, and the pain gradually abated, and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy." For sale by Lee & Osgood Co.

### \$2,000 DIAMOND

Found by Waterbury Maid, Who Received \$500 from Owner.

When Helen Usher, a maid employed at The Elton, Waterbury, found a sparkling stone on the carpet in room 116 Saturday morning she did not attach any particular value to it and carelessly laid it to one side on the bureau while she continued her work of clearing up the apartment. A few minutes later Miss Usher was notified that a valuable diamond had been lost, and when she handed over the sparkling gem she was rewarded with a present of a \$50 bill. She was also told she was an honest girl and any time she decided to change from her present vocation she could have a good place in New York.

The diamond was lost by Mrs. Henry Evans, wife of the president of a fire insurance company of New York, who arrived with her husband and Mr. and Mrs. T. E. Ferry of Newark, N. J., at The Elton Friday evening en route to the Yale-Princeton game at New Haven. The loss of the diamond was discovered just after the party had started for New Haven on Saturday morning and when it was reported

at the office the gem was restored to the owner.

The diamond was a pear shaped stone, three carats in size, and the center of a cluster ring. The ring was valued at \$2,500. The pear shaped stone was perfect in design and color and was valued at \$2,000. Mrs. Evans said she had purchased the stone in Europe.
